**Step 1:** Each athlete must create their own username and password. Visit [www.NAIGC.net/NaigcRegistration.php](http://www.NAIGC.net/NaigcRegistration.php) to create a new username and password. Athletes who participated at Nationals in prior years should use their old username and password.

**Step 2:** All clubs must have one person designated as a club representative to complete their registration for Nationals 2012 online. The club rep must create at least one team, assign all the club's competitors to teams, and then specify which events each person will be competing.
